State Plan Overview

The State of Montana Benefit Plan (State Plan) is self-funded. This is different than traditional insurance.

Traditional Insurance

With traditional insurance, members pay an insurance company a monthly premium and if a member goes to a doctor or hospital the insurance company pays some of the cost. The insurance company decides what's covered and how much is paid out-of-pocket. They also accept financial risk if a member has a serious health condition like cancer or a heart attack.

Self-Funded State Plan

State Plan coverage is funded by the State of Montana via the employer contribution, by employees via their bi-weekly contribution, and by legislators and retirees via their monthly contribution. The State Plan:

- Provides coverage in accordance with state and federal law
- Sets the monthly rates and out-of-pocket costs
- Carries the liability for all 29,000 members

Third Party Administrators (TPAs) and Vendors

With 29,000 members state-wide, the State Plan partners with outside companies to help it process claims and administer benefits, as well as relies on their expertise and cost saving contracts.

Current TPAs:

- BlueCross BlueShield of Montana (BCBSMT) - Medical Benefits
- VSP Vision Care - Vision Benefits
- Delta Dental - Dental Benefits
- Navitus Health Solutions - Prescription Drug Benefits
- ASIFlex - Medical and Dependent Care Flexible Spending Accounts

Other Vendors:

- Premise Health operates the Montana Health Centers
- BCBSMT provides fully insured life and accidental death and dismemberment insurance options, as well as long term disability insurance
- GuidanceResources administers the Employee Assistance Program (EAP)

Bottom Line

Since the State Plan is funded by both your contributions and taxpayer dollars, it's important that we all work together to make informed health care choices. You can do your part by reading this book to understand your benefits, reviewing updates from HCBD, participating in wellness programs, and visiting doa.mt.gov/HCBD regularly.

State Plan Enrollment

31-Day Initial Enrollment Period

Enroll within 31 days of your date of hire to take full advantage of all State Plan benefits available to you. Your coverage is effective on your date of hire. Flexible Spending Accounts become effective on a different date, see page 20 for details.

Joint Core

If you and your spouse both work for the State (as an employee or legislator) and have at least one dependent child who needs to be enrolled on the State Plan, you can elect to be Joint Core. Your family shares one family maximum out-of-pocket for medical expenses, one family maximum out-of-pocket for prescription expenses, and your bi-weekly contribution is less. To elect Joint Core, contact HCBD.

Late Enrollment

If you waive coverage, or do not enroll within 31 days of your date of hire, you may be able to join the State Plan at a later date, but you will only be eligible for State Plan medical benefits for yourself. You will not be able to add a spouse or domestic partner or dependent children to the plan or elect optional benefits without a Special Enrollment Period. If you enroll after the first 31 days of your date of hire, the effective date of coverage will be the first of the month following receipt of your request for enrollment.

Medical Benefits

Employees who enroll in the State Plan must enroll in Medical Benefits, which includes:

- Medical coverage
- Prescription Drug coverage
- Basic Vision coverage (\$10 copay for an annual eye exam per member at an In-Network VSP Vision Care provider)
- Basic Life Insurance (\$14,000 of term life coverage)

Optional Benefits

- Medical coverage for spouse or domestic partner or children
- Dental coverage
- Vision Hardware coverage
- Additional life insurance for you and/or your spouse or domestic partner and/or children
- Long-Term Disability (LTD) coverage
- Accidental Death & Dismemberment (AD&D) coverage
- Flexible Spending Accounts (FSAs) for medical expenses and/or dependent care (daycare) expenses

Proof of Dependent Eligibility

If you want to add a spouse or domestic partner or children to the State Plan, you must provide proof of eligibility before they are enrolled. See page 8 for details. Once verification is provided, dependent coverage is placed retroactively to the effective date and any retroactive contributions will be withheld from your paycheck.

Employer Contribution

The State contributes \$1,080 per month per eligible employee to the State of Montana Benefit Plan (State Plan).

Paying for Coverage

The State of Montana employer contribution may not cover all of your benefit costs. Any extra cost is automatically deducted from your bi-weekly paycheck. You start owing your benefit contribution the day your coverage begins. If you submit your benefit elections within 31 days of your date of hire, but after your first pay period, you will see two pay periods worth of contributions come out of your second or third paycheck. After that, the contributions will be distributed evenly.

Tax Information

Most of your benefit contribution will be deducted pretax out of your paycheck with the exception of the following:

- Life Insurance coverage for yourself and your dependents
- Long Term Disability (LTD) insurance coverage
- Non-tax dependent coverage (i.e. domestic partner and domestic partner children)

Benefit Identification Cards

You will receive medical, dental, vision, and prescription drug plan identification cards within two to three weeks of completing your enrollment.

Open Enrollment

You will have the opportunity to make changes to your State Plan options during the annual two-week Open Enrollment Period that takes place each fall. These changes take effect January 1 of the following Plan Year. Be sure to read all mail and emails from HCBP for details about Open Enrollment.

For complete details about the State Plan, refer to the Wrap Plan Document (WPD) at doa.mt.gov/HCBP/Resources/Publications.

Tobacco Surcharge

The State Plan charges a Tobacco Surcharge for employees who use nicotine. The surcharge adds \$60 per month to the contribution amount for employees who use nicotine and/or \$60 per month if the employee's covered spouse or domestic partner uses nicotine.

Note: The Tobacco Surcharge is separate from the Live Life Well (LLW) Incentive nicotine attestation. Indicating you are not a nicotine user to earn the LLW Incentive does not remove the Tobacco Surcharge, you must complete enrollment to attest your nicotine use for the Tobacco Surcharge.

Definitions

Nicotine

- Nicotine is an addictive stimulant proven to have negative health effects that is found in cigarettes, cigars, chewing tobacco, and most vaping products.

Nicotine Free

- You are nicotine free if you have never used nicotine, have quit using nicotine, use only FDA-approved Nicotine Replacement Therapy (NRT), or infrequently use nicotine (less than 4x per month).
- You are nicotine free if you are currently using nicotine but have completed an eligible alternative (nicotine cessation program or a nicotine counseling session with a medical provider) during the past 12 months.

Nicotine User

- You are a nicotine user if you are currently using nicotine and have **not** completed an eligible alternative (nicotine cessation program or a nicotine counseling session with a medical provider) during the past 12 months.

To avoid the \$60 per month Tobacco Surcharge you need to annually self-attest your, and if applicable, your covered spouse or domestic partner's, nicotine use.

Visit doa.mt.gov/HCBD for more information.

Pharmacy Options

Find In-Network Pharmacies

For a full list of in-network pharmacies, formulary* list, and a cost comparison tool, go to navitus.com and create an account.

*The formulary list tells you which prescriptions are covered and which tier a covered prescription falls under.

Save with a 90-Day Supply of Your Medication

You can get a three month (90-day) supply of some maintenance medication for a two month copay. The State Plan pays less for many medications when a 90-day supply is filled at an in-network retailer or preferred mail order pharmacy. We pass those savings on to you by reducing your copay.

90-Day Supply Options

- Most in-network retail pharmacies (refer to Navitus network directory)
- Ridgeway: (800) 630-3214, ridgewayrx.com
- Costco: (800) 607-6861, pharmacy.costco.com (membership not required)

Specialty Pharmacy

Lumicera Health Services is the State Plan's preferred pharmacy to handle specialty medications (drugs that require special administration). Using a pharmacy other than Lumicera for specialty medications could cost significantly more and does not accumulate toward your prescription annual maximum out-of-pocket.

Dental Networks

To find an in-network dentist, go to [DeltaDentalins.com/StateofMontana](https://www.DeltaDentalins.com/StateofMontana) and create an account. You can visit any licensed dentist and receive coverage under the State Plan, but you will usually get the most value from your State Plan benefit when you choose a PPO or Premier Dentist. PPO and Premier Dentists agree to accept the Delta Dental Allowance. You will only be responsible for your deductible and coinsurance amounts up to the maximum payable amount when using a PPO or Premier Dentist. A non-network dentist can bill you your deductible and coinsurance amounts, plus any amount over the Delta Dental allowance.

You are responsible for any amount over the \$1,800 maximum payable amount regardless of provider network status.

Preferred Provider (PPO Dentist)

Have agreed to the lowest contracted fees. Your annual maximum dollars go further and you won't be balanced billed.

Premier Dentist

Have agreed to reduced contracted fees (not as low as PPO). Still provides dental insurance benefit, although you may end up paying more out-of-pocket. You won't be balance billed.

Non-Network Dentist

There's no contracted fee agreement, so your dentist can charge any amount. You still receive State Plan benefits, but using a non-network dentist can result in you reaching your annual maximum sooner and potentially being balanced billed, as well as having to pay up front for services.

Flexible Spending Accounts

ASIFlex is the third party administrator for the State Plan's Medical and Dependent Care Flexible Spending Accounts (FSAs).

ASIFlex

You Must Re-Enroll for FSA Each Plan Year

Employees can enroll in a Medical or Dependent Care FSA. Accounts become effective the first day of the month following your date of hire. Legislators and retirees are not eligible for FSAs. Contributions are taken out of each bi-weekly paycheck, before taxes, in equal installments throughout the Plan Year (24 pay periods). FSA funds may only be used for claims incurred on or after your FSA effective date. Details at doa.mt.gov/HCBD/FSA.

Medical FSA

- Annual maximum contribution per employee \$3,300.
- Rollover is available from year to year.
- May be used for **eligible medical expenses** for yourself, your spouse or domestic partner, and/or your children.
- Eligible expenses include: deductibles, copays, coinsurance, prescription drug costs, dental and vision expenses, and non-covered medical expenses. Complete list at asiflex.com/EligibleExpenses.aspx.
- Entire yearly contribution may be used starting on your FSA effective date.

Dependent Care (Day Care) FSA

- Annual maximum contribution is \$7,500 per household per year (\$3,750 if married filing separately).
- May only be used for child care (day care) for children age 13 and under or disabled dependents.
- Complete eligibility list at asiflex.com/EligibleExpenses.aspx.
- Funds are only available as contributed.
- **Dependent Care FSA funds may *not* be used for dependent medical expenses.**

Note: The State Plan is not a High Deductible Health Plan and cannot offer a Health Savings Account (HSA) to members, as it pays for some services prior to the member meeting the full deductible. For example, the State Plan has copays in place for office visits and prescriptions drugs that apply before a member meets their deductible.

Disclaimer

The Patient Protection and Affordable Care Act (PPACA) was enacted on March 23, 2010. The United States Departments of Health and Human Services, Labor, and Treasury have issued regulations to help entities comply with PPACA. However, additional clarifications to address issues that may arise under these regulations could also be published by the Departments on an on-going manner through administrative guidance possibly in another form than a regulation. Benefit Term Decoder

The following explanations are to help you understand the terms in this book and do not replace the definitions found in the Wrap Plan Document. The definitions in the Wrap Plan Document govern the rights and obligations of the State Plan and Plan Members.

Balance Billing - The amount over the State Plan's allowable charge that may be billed to the plan member by an out-of-network provider.

Benefit Payment/Contribution - What you pay each month for your State Plan coverage.

Coinsurance - The percent the State Plan pays after you meet your deductible.

Copay - A copay is a fixed dollar amount you pay for a covered service.

Deductible - A deductible is how much you must pay each Plan Year before the State Plan starts to pay.

Grandfathered Month - If you were hired before August 1, 1998 and have had no lapse in State Plan coverage, you are entitled to one extra month of employer contribution and benefits coverage upon retiring or leaving State employment.

Initial Enrollment Period - A period of time when an employee, legislator, or retiree initially becomes eligible to enroll in State Plan benefits.

In-Network Provider and/or Facility - In-network providers and/or facilities have contracted with our third party administrators.

Maximum Out-of-Pocket - The maximum out-of-pocket is the most you will have to pay for covered services in a Plan Year.

Mid-Year Benefit Change - Also known as a Special Enrollment Period. A period of time allowed by the State Plan, other than the eligible employee or retiree's initial enrollment period or an Open Enrollment Period, during which an eligible employee, legislator, or retiree may request or terminate coverage under the State Plan as a result of certain events that create special enrollment rights. To change your State Plan benefits due to a Special Enrollment Event (i.e. marriage, birth, divorce, gain or loss of coverage, etc.) you must do so within 60 days of the date of the event (91 days if the event is birth or adoption).

Out-of-Network Providers and/or Facilities - Out-of-network providers and facilities have chosen not to sign a contract with our third party administrators. If you use an out-of-network facility or provider, the State Plan will pay a fair rate for your care, but the out-of-network provider or facility may balance bill you for more. You are responsible for any balance bills you receive.

Open Enrollment Period - A period each fall in which you have the opportunity to make changes to your State Plan benefits for the following Plan Year. These changes take effect January 1 of the following year.

Plan Member - Anyone covered on the State Plan including employees, legislators, retirees, COBRA participants, and eligible spouse or domestic partner or children.

Plan Year - The Plan year starts January 1 and ends December 31 each year.

Recommended Clinical Review - Establishes in advance the medical necessity or experimental or investigational nature of certain care and services covered under the State Plan.

Specialty Drugs - Specialty drugs usually require special handling, administration, unique inventory management, a high level of patient monitoring and more intense support than conventional therapies. They could include all routes of administration (self-injectable, oral, or infused). They are typically very expensive.

State Plan - The self-funded State of Montana Benefit Plan.

Tobacco Surcharge - \$60 per month charge for being a Nicotine User.
